

BREXIT Confidence

August 2017

Methodology

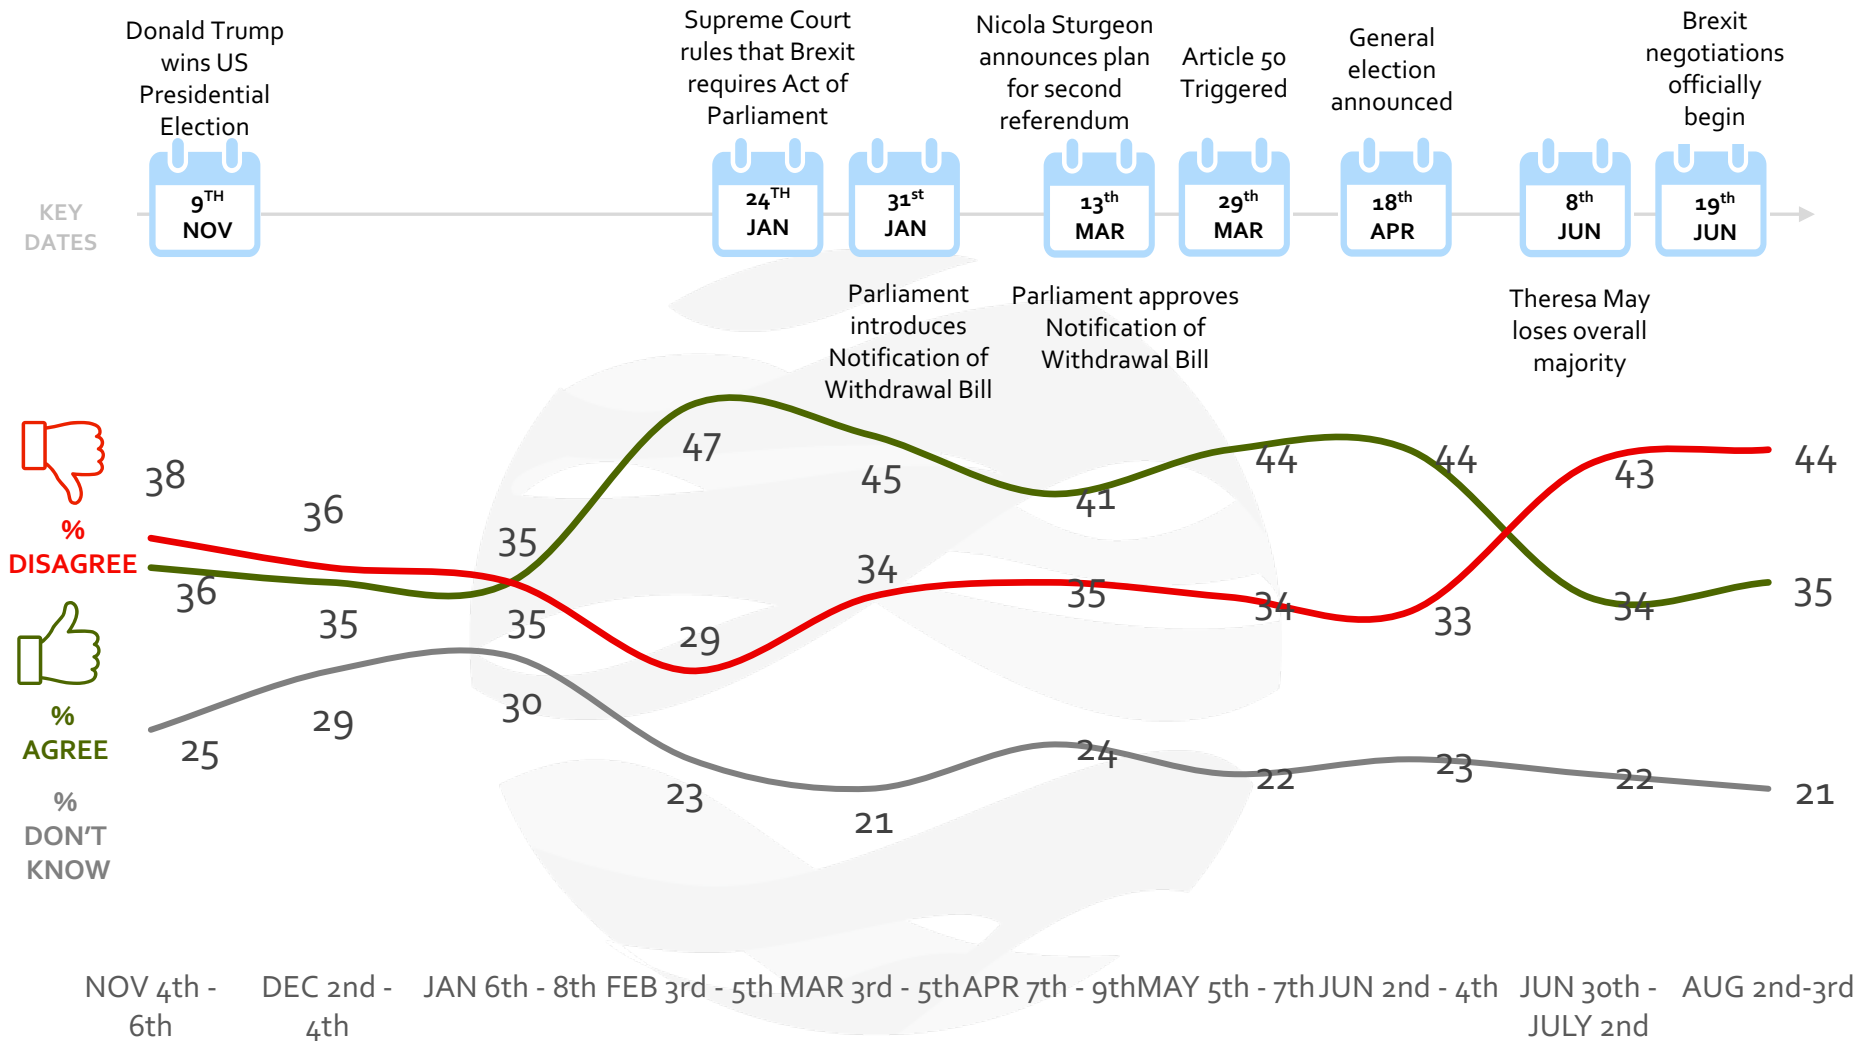

- On the first weekend of each month ORB International polls a nationally representative sample of n=2,000 adults aged 18+ throughout England, Scotland, Wales and Northern Ireland. The core tracking questions are :-
 - Q Do you approve or disapprove of the way in which the Government is handling the Brexit negotiations?
 - Q How strongly do you agree or disagree with the following statements?
 - I think the Prime Minister will get the right deal for Britain in the Brexit negotiation
 - Britain will be economically better off post Brexit
 - Britain will have more control over immigration post Brexit
 - Having greater control over immigration is more important than having access to free trade with the EU / Having access to free trade is more important than having greater control over immigration*
- * 50% of the sample were shown the first statement : 50% of the sample were shown the second statement
- The statistical margin of error at the 95% confidence level is $\pm 2.2\%$
