

BREXIT CONFIDENCE TRACKER

October 2019

METHODOLOGY

- On the first weekend of each month ORB International polls a nationally representative sample of n=2,000 adults aged 18+ throughout England, Scotland, Wales and Northern Ireland. The core tracking questions are :-

Q Do you approve or disapprove of the way in which the Government is handling the Brexit negotiations?

Q How strongly do you agree or disagree with the following statements?

- I think the Prime Minister will get the right deal for Britain in the Brexit negotiation

- Britain will be economically better off post Brexit

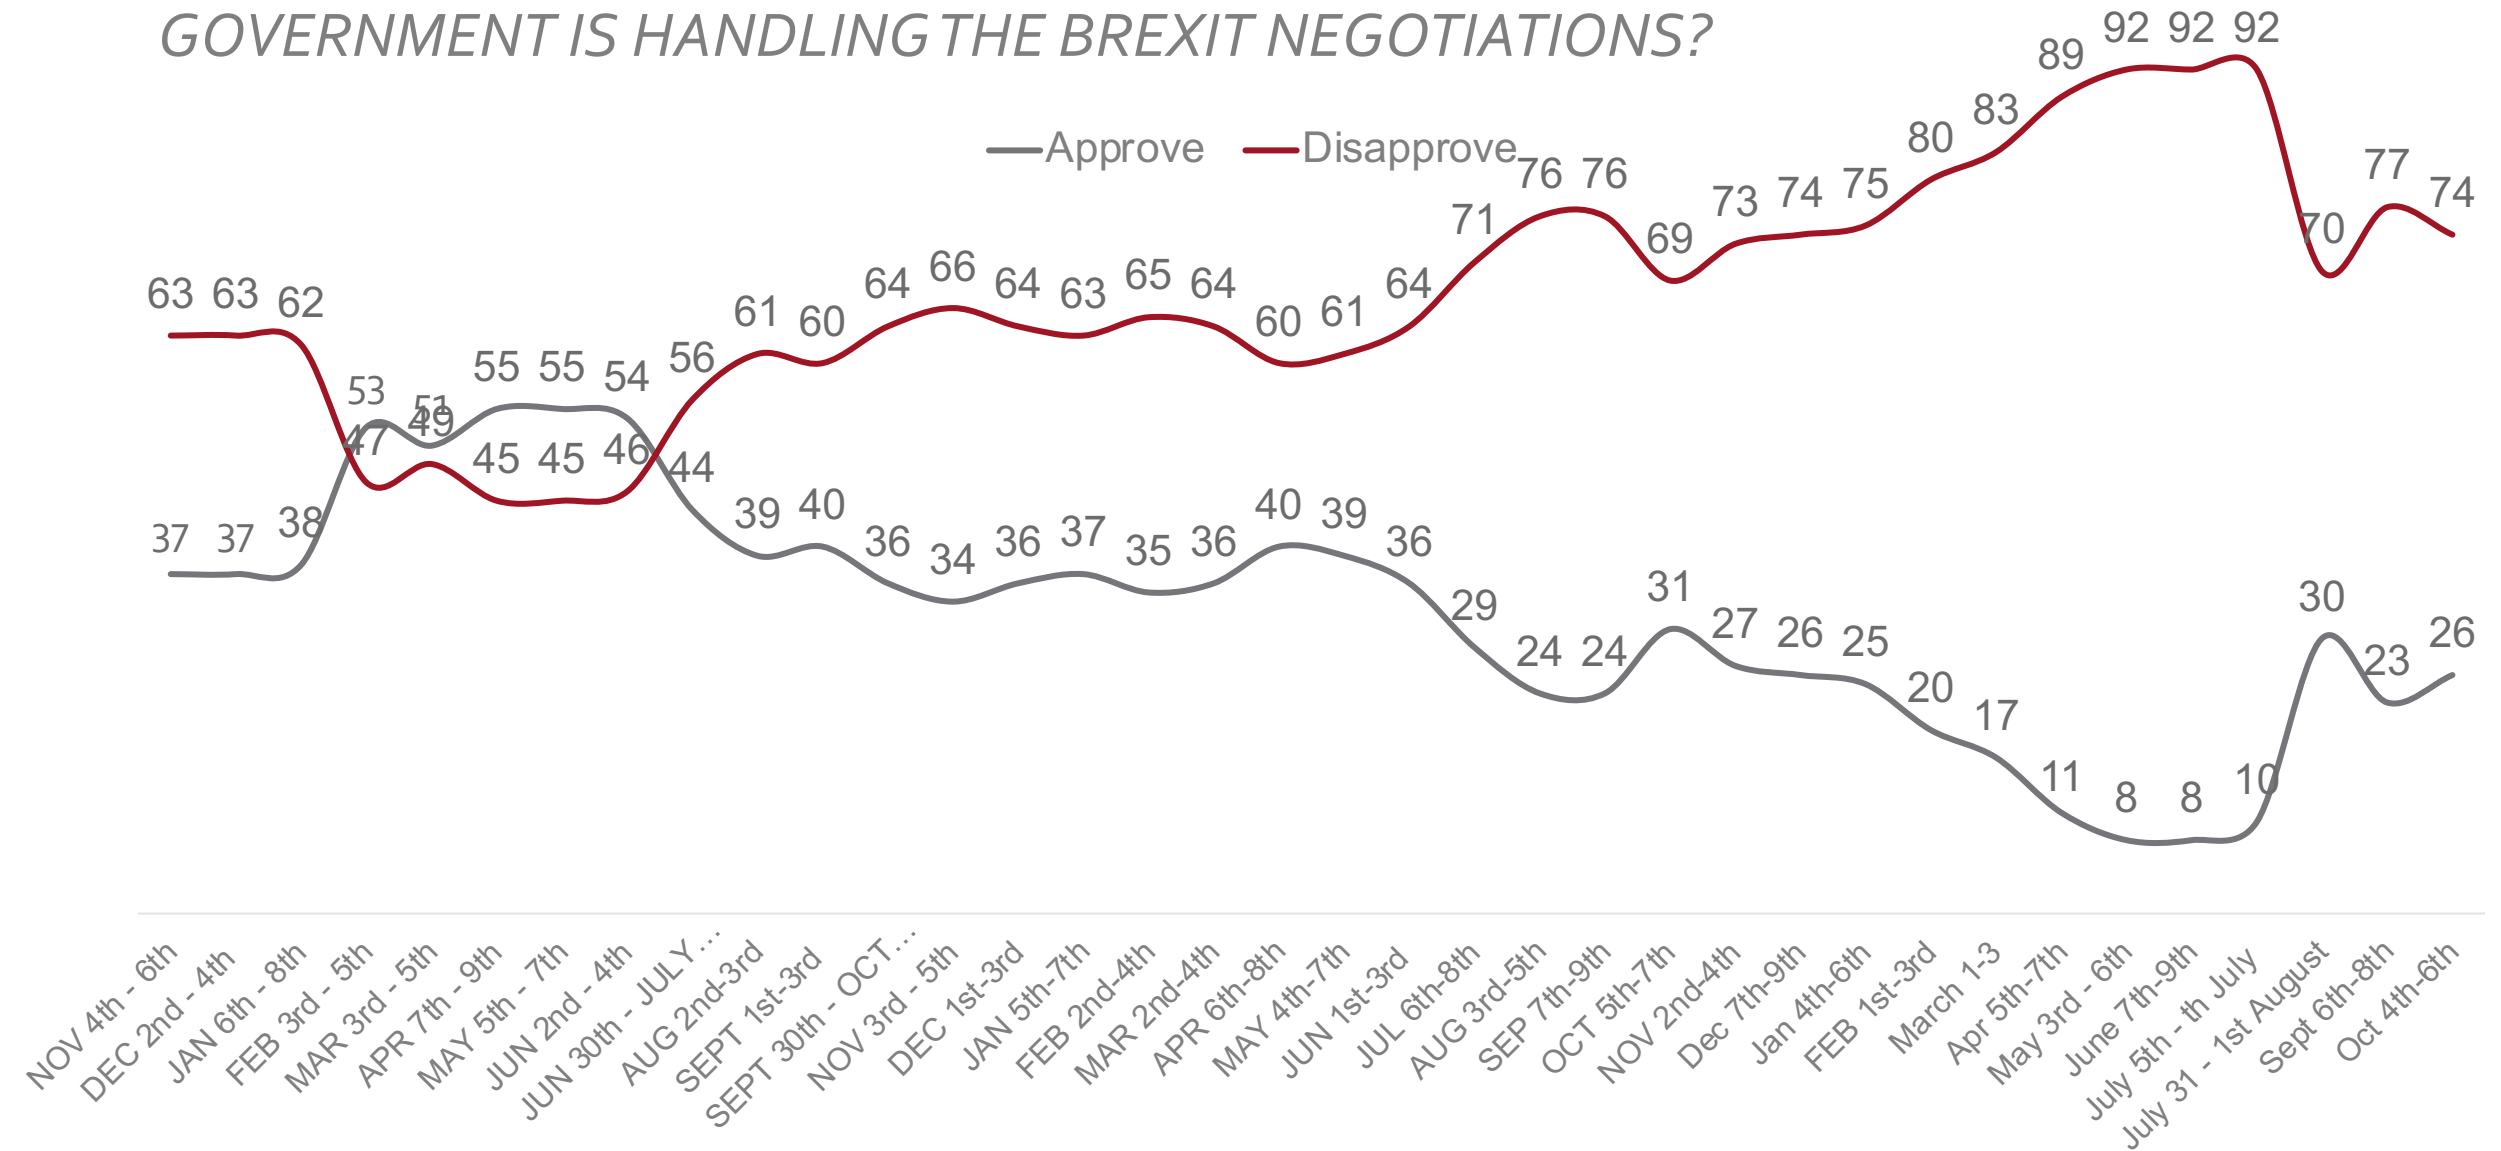

- Post Brexit, I think I personally will be financially better off (NEW for December 2018)

- Having greater control over immigration is more important than having access to free trade with the EU / Having access to free trade is more important than having greater control over immigration*

* 50% of the sample were shown the first statement : 50% of the sample were shown the second statement

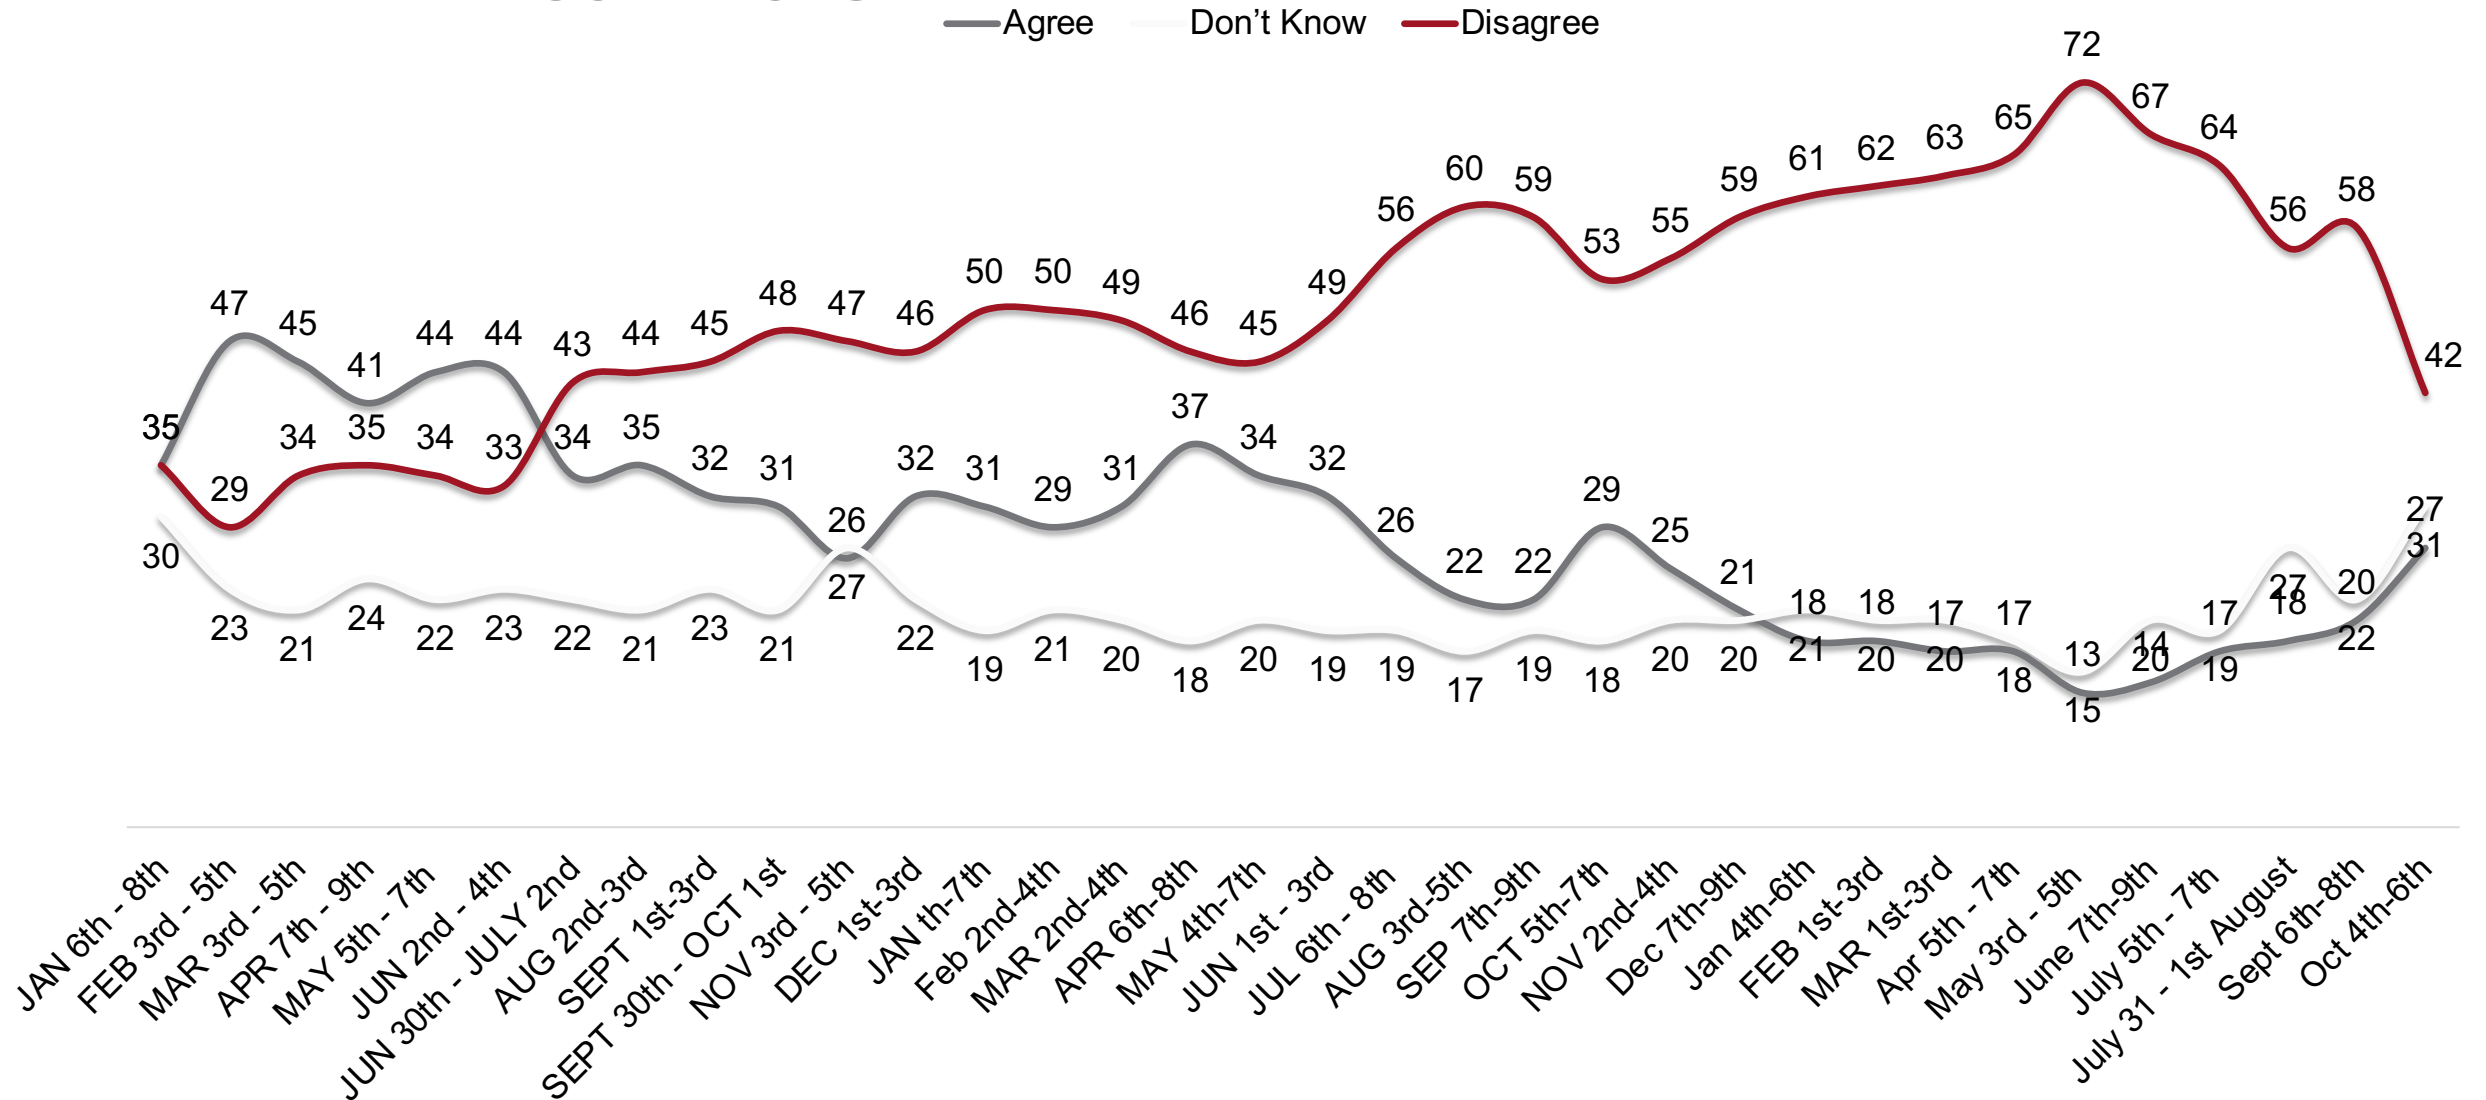

- The statistical margin of error at the 95% confidence level is $\pm 2.2\%$
