|                    |     | I oppose the rule <b>that</b> we have to wear masks in shops | I think the UK Government is <b>handling</b> the Coronavirus well | I think that <b>the</b> spread of the virus in the UK is now under control | Seeing politicians and celebrities <b>wearing</b> masks more widely is a good thing | I intend to go for something to <b>eat</b> /drink at a COVID-19 secure restaurant/pub next week | Efforts to <b>reopen</b> the economy are moving too quickly | I am worried <b>about</b> a second wave of the Coronavirus hitting the UK hard | I would not want to be vaccinated against the coronavirus if a high-quality vaccine were available |
